

OAKLAND GOLF CLUB

MESSAGE FROM THE BOARD

The golf course is officially open and the 2024 golf season has started at OGC! It has been wonderful seeing our membership get out and enjoy their first few rounds of the year. The golf course appears to have made it through the winter in excellent condition and it's shaping up to be another memorable golf season at OGC.

On Saturday, March 23rd, there will be a volunteer spring clean work day at Oakland Golf Club. The grounds around the Clubhouse need raking/grooming; our kitchen area needs a deep cleaning; and general spring clean things need to be done such as:

clean vents, power wash under the deck, club storage clear out and reorganize, etc. The more people we have, the faster we get done.

Please bring your own rakes/garden tools for outside and perhaps dusters/rags for inside.

9:00-Noon with lunch following. Thanks in advance for your help in keeping our facility looking sharp for the 2024 season!

It has been brought to our attention that there have been more children active around the facility this Spring than in previous years. We just want to send out a friendly reminder to everyone to be safe when arriving and departing the club to keep everyone in the community safe.

Mark your calendars, there are a ton of events coming up and we can't wait to see you all enjoying another great year at OGC!
