MESSAGE FROM THE BOARD

The rain may have limited some play time and the use of carts over the past few weeks, but the course is looking fantastic! Be careful in the rough-it is the thickest rough we have had in several years! There are plenty of events rapidly approaching and we encourage everyone to visit the website calendar and follow the club on Facebook to stay in the know of all things going on at OGC. <https://www.oaklandnegolfclub.com/calendar/>

Thank you to everyone who helped with Ribfest. As we have had a chance to "tally" the success, thanks to the generosity of so many people the 2024 Ribfest brought in over \$35,000!

The Board has two committees that are busy working to determine next steps of improvements for the Oakland Golf Club. The Course Preservation Committee which will focus on long term plans and needs for improvements of the Golf Course. The Clubhouse Committee will focus on the short term and long term plans and needs for the Clubhouse.

The Oakland Golf Club has changed their phone and internet provider. This change is not only a cost savings, but also has the added benefit of phone service in the Pro Shop and in the Lounge during business hours. The number is the same. **(402)685-5339**

A change coming in the near future will be the addition of an Inside Surface Mount Bottle Filling Station. Providing filtered water has been a priority and we have found a solution that we hope to have purchased and installed in the next few weeks.

Thanks to Paul Anderson and crew who helped to install the memorial clock in honor Laura and Roger Saf.

Message from the GM/ Course Superintendent

I am excited to be taking on the general manager duties at Oakland Golf Club. There will be much to learn as I move forward with many new responsibilities. Hunter, Amy, Erin and I will be working closely to make your visits as enjoyable as possible. If you have any comments, questions or concern, please reach out to me at 402-870-0164 or my email:

gm@oaklandgolfclub.com.

None of this would be possible without my amazing wife Lisa who you see working her tail off out on the course to make it as beautiful as possible. I would also like to thank my two wonderful sons Jason and Austin who are always there at the drop of a hat to lend a hand when I need it. Also, thanks to Drew Egan for taking on the role of the Assistant Course Superintendent.

Jeff Parcel

We will be aerating greens the week of June 10th. We are later than usual due to the fact that we were just finally able to get sand.

Pro Shop News

We will no longer allow any 5-somes or anybody to take more than 2 carts per group. It causes double the maintenance on carts and double the damage to the course. Remember your membership does not come with a "personal" cart. It comes with a seat in a cart.

Tomorrow is the 2 person scramble starting at 10am. We have a full field of 120 players. The course will be closed all day Sunday, May 19th. No play is allowed following the tournament.

Saturday, May 25th is the Tori Baldwin Memorial Tournament. We have a huge field of 168 players. We will also be closed all day that Saturday with no play allowed following the tournament.

The next couples night is May 31st, starting at 5:30pm. The theme for this night is Italy! Will be another fun night!

Thanks to everyone for all of your support this year. The participation has been much higher than previous years in weekend tournaments, couples, and even leagues. We appreciate you!

Hunter Ferguson, PGA
OGC Director of Golf
