

OAKLAND GOLF CLUB

MESSAGE FROM THE BOARD

Early signs of Spring are in the air and we have been busy at OGC! The flooring project in the pro shop is moving along quickly and will provide a fresh look for our members and guests in the 2026 season. Eric and his crew have been taking advantage of the warm temps to get several projects done on the golf course. Tree trimming, ditch burning and brush clearing are all underway and looking fantastic. Thank you to all the volunteers for their help with these projects both on the golf course and in the clubhouse! Photos of project progress included below.

With the golf season right around the corner, please stop by the clubhouse and pay your dues if you have not done so already. The simulator is open and fully operational. Book your time today to be in mid-season form come Spring.

The final day for paver orders this year is March 1st. Make sure fill out a paver sheet in the clubhouse before the deadline if you're interested in a memorial paver by the clock. Be sure to mark your calendars for RIBFEST April 11th!

SUPERINTENDENT'S CORNER

Hello everyone, every month I'll be putting together an update on course conditions, project progress, and any other helpful information.

Right now we are in the process of the ground restoration around #12 & #17 tee boxes, #14 right side hazard, #15 green hazard, and also the old Logan Creek site in between #1 & #2.

For those of you who don't know me, I moved here with my family back in 1989, grew up and graduated an O-C Knight in 2002. I've been the superintendent at Steepleview Golf Course in Humphrey, NE, for 9 years. Prior to that I've worked and learned from the best superintendents in Fremont, Lincoln, and Denver.

I'm excited for the opportunity here with the board, Ian Lundquist, the many volunteers, Jeff Rennerfelt, and my brother Greg, to continue making my home course, OGC, one of the best courses in Nebraska.

Thank you, and thank you Jeff and the Parcel family for the many years of hard work!

Eric R Peterson
OGC Superintendent

FEBRUARY NEWSLETTER

Golf Course Special Project Donation Request

The golf course preservation committee is seeking donations for brush clearing in the ditches on the back 9. The areas where work would be conducted are as follows: North of 14 fairway/15 green, North of 12 green and 17 teeing grounds.

Our goal would be to secure enough funds to hire the operator with the necessary equipment and have the project completed this winter. If you would like to support this project, checks can be made payable to the Oakland Golf Club Preservation Foundation and delivered or mailed to the OGC clubhouse. We greatly appreciate your generosity.

OAKLAND GOLF CLUB
