

OAKLAND GOLF CLUB

MESSAGE FROM THE BOARD

Summer is flying by at OGC and the club has been busy with daily play, leagues and events. We hope everyone has had the chance to get out and enjoy the club this Summer. Huge kudos to Eric, Ian and their staffs for the long hours throughout the hot and busy Summer Months.

The OGC Centennial party is scheduled for August 8th. Make sure to have it on your calendar as it will be a massive celebration for the club's 100th birthday. Details on the flyer below!

The OGC Invitational (formerly Member-Guest) was a smashing success. We had 46 teams compete over the weekend for the title. Congratulations to Hunter Ferguson and Preston Carbaugh on their victory!

The rescheduled Men's Open is on the calendar for Sunday, August 2nd. We encourage everyone to spread the word and get groups signed up for the last Major of the year at OGC.

*Please check the expiration date of the card you have on file and be sure to get it updated with Ian if it has expired or is near the expiration date. This will help a lot with our bill collecting. We will be putting into place a reminder email to those folks whose cards will be expiring within a couple months to help you remember to get an updated one on file. We appreciate your help in this matter and value your membership at Oakland Golf Club.

SUPERINTENDENT'S CORNER

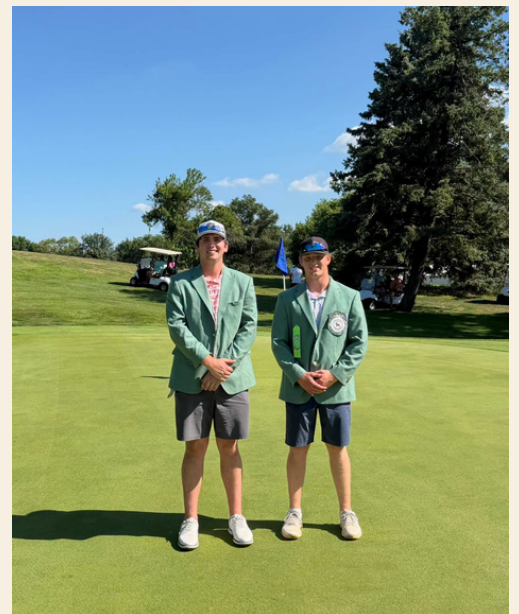

Hello everyone, sprinklers are flying, and watering what they can. Those sprinklers are down the center and edges of the fairways. That is where the healthy grass resides and where we want carts to travel. Usually we'd like carts to use the 90 degree rule, travel to your ball in the rough and enter/exit the fairway at 90 degrees. Considering the condition of the roughs however, please use the fairways until the roughs come back. Thank you and happy golfing!

OGC Superintendent
